Mon, Jun 24, 2019 at 10:08 PM

We hope this email finds you well! Congratulations! If you're receiving this email, you have been accepted in the Explore ML Academy and we are looking forward to meeting you during [Google's Explore ML Academy](#), hosted at [Google office, RMZ Infinity, Bangalore](#). See below some relevant information:

The Basics

- **What?** [Google's Explore ML Academy](#)
- **When?** 27th and 28th July
- **Where?** [Google office, RMZ Infinity, Bangalore](#)

What next?

In case you are traveling from outside of Bangalore and you need us to support your travel and accommodation, we request you to fill out this [support form](#) before **28th July**.

If you can't make these dates work, please get in touch with us as soon as possible. Attending the ML Academy is a requirement to be accepted in the program.

Format of the ML Academy

We will be walking you through Explore ML Academy, it's modules and basic ML concepts. Additionally, we will have you go through selected modules of the course, with a teaching assistant guiding you in course's practical pieces/exercises and troubleshooting and pieces of the content where you are struggling. The course is open to all so you can complete the remaining modules as a self-study after the session.

Other requirements? Additionally, we'd need you to bring:

- Your laptop and charger. You will need this to go through the online course.
- Pen & paper (or any other preferable option if you plan to take notes)
- A can-do attitude!

Course Agenda & Equipment

- The course will be starting at 1:30 PM sharp, finishing around 7 PM on Day 1 and starts at 9 AM on day 2 and finish by around 4 PM on Day 2.
- Request you to reach at the venue by 12:30 Noon on Day 1 for lunch.

- You can depart after 4PM to your individual home town on Day 2.

An agency representative will get in touch with you in the next week to confirm your travel and accommodation details. We will also reach out to you with more details to prepare before attending the academy.

Note - By participating in the Academy we look forward to you hosting Explore ML sessions in your campus in your current semester. To be eligible for the same, we also hope you're currently a student in bachelor's program enrolled in a university for full time.

We look forward to meeting you very soon!

Regards,
